(Currently in 2nd year)

Srinivas Institute Of Technology

**CGPA:** 9.18/ 10.0

**Pre-University Course (PUC) - [PCMB]** 2021 - 2023

Capitanio Composite P.U College

**Percentage:** 88%

## PROJECTS

### Smart Service Hub - Online Service Booking Platform

A platform for booking services like plumbing, electrical work, and more, providing users with an easy interface for service selection and booking.

**Technologies Used:** HTML, CSS, JavaScript

### No-Code Project Management System

A tool for managing client requests, project storage, invoicing, and timesheets, designed to streamline project workflows using a no-code approach.

**Technologies Used:** Bubble.io

### Volunteer Connection Hub

A platform that connects volunteers with individuals seeking help, enabling seamless interaction and support for visitors in need.

**Technologies Used:** HTML, CSS, JavaScript

## ACHIEVEMENTS & HACKATHONS

Recognized for academic excellence with a GPA of 9.18/10, consistently performing at a high level throughout my coursework

Shortlisted in the top 15 out of 100 teams in the college Codethon event for the 'Volunteer Connection Hub' project, successfully advancing to the second round based on project innovation and execution
